

# Exercise 5 – CSS

Create a page like the one on the following image:

The title of the page is “PRIMAVERA Business Software Solutions”.

The font family is “Roboto” from Google Fonts.

The maximum width of the page is 1400px (use the `max-width` property).

The titles of each section (Mission and Team) have a size 250% bigger than the standard letter size, color #3C368C, and are centred horizontally.

The image used for the Favicon is on the “favicon.ico” file.

## Header

The Header has a logo (logo.png) on the left side and links Login and Search (search\_icon.png) on the right side. It has a height of 80px and the background color is #f5f5f5.

The logo allows access to the <https://pt.primaverabss.com/pt/> page.

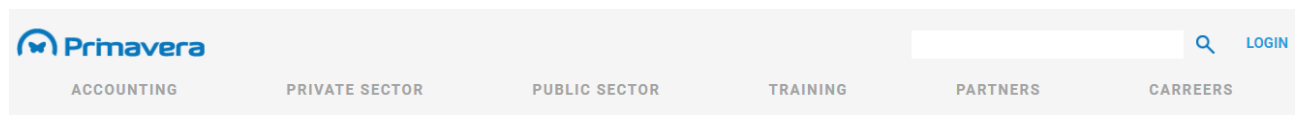

The link “Login” is bold and has the color #1da2dc. On mouse over the color changes to #a4a3a3.

The space between the magnifying glass and the Login link is 30px.

On the left side of the magnifying glass there is an input field (use `<input type="text">`) with 300px of width and 30px of height, and without border:

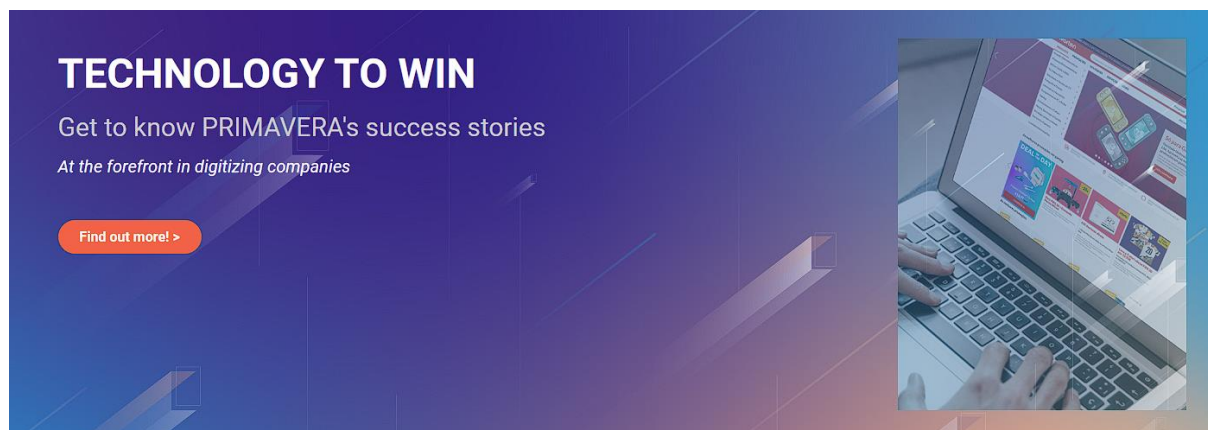

## Menu

The menu has 6 options:

There should be an equal space between the options.

## Banner

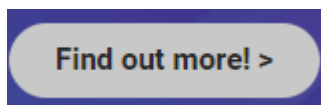

The banner has a height of 500px and the image is on the file "banner.jpg".

Information about the text:

- Technology to win - 48px, white
- Get to know PRIMAVERA's success stories - 30px - #ccc
- At the forefront in digitizing companies - 20px, white, italic

Button "Find out more!":

- bold
- background color - #f16248
- color - #f5f5f5
- When mouse over:
  - background color - #c8c8c8
  - color - #252525

- When the user clicks on the button he can access the following page:  
<https://pt.primaverabss.com/pt/pagina/tecnologia-para-vencer/>.

## Mission

### Mission

#### **PRIMAVERA integrates largest Iberian group of enterprise software**

Oakley Capital acquires the entire share capital of PRIMAVERA BSS and creates a new business group to lead the digital era in the Iberian Peninsula.

PRIMAVERA reached an agreement with the British Oakley Capital for the sale of its entire share capital to this consolidated British investment fund. PRIMAVERA is the first Portuguese company to be part of a group of six companies acquired over the last two years by Oakley Capital, which already owns a number of Spanish companies, such as EKON, a renowned Spanish manufacturer of cloud management software for medium and large companies, Contasimple, Diez, among others, with the strategic objective of leading the Iberian market for cloud business management software.

PRIMAVERA is the largest of the group of companies already acquired under this consolidation project, which will be called "Grupo Primavera". This new Group, now created, emerges as a leader in Iberia: 600 employees, 60 million Euros in revenue and 55 000 clients.

» [Get more information about the deal](#)

The image is on the "mission.png" file.

The subtitle ("PRIMAVERA integrates largest Iberian group of enterprise software") has color #252525 and is bold.

The text has color #7d7d7d.

The link "Get more information about the deal" has color #0075be, font size 1.2 times bigger than the standard size, is bold and has no underline. On mouse over the underline appears.

The bottom line has a width of 2 pixels and color #7d7d7d.

## Team

**Daniela Alves**  
Web Developer

**Manuela Ribeiro**  
Front-end developer

**Bruna Silva**  
Designer

The name of each person has a size of 125% of the standard font size.

The job of each person has the standard font size.

The space between images is 30px.

## Footer

PRIMAVERA	EDUCATION	NOTÍCIAS E EVENTOS	CONTACTOS	SITE
Sobre a PRIMAVERA	Teaching with Software	Press Releases	Como Chegar	Política de Privacidade
Responsabilidade Social	Education Talks	Eventos e Webinars	Contactar agora	Termos de Utilização
Recrutamento	Education Labs	Blog		Mapa do Site
Os nossos Clientes	Study Visits	Newsletter

Blog				
Developers Network				
HelpCenter				
MarketPlace				

The background color of the footer is #ebebeb.

The titles, like Primavera and Education, are bold and have a color of #252525.

The other text are links with a color of #7d7d7d, and without the underline. On mouse over, a dotted underline with the color black, should be visible.

Where to find us  
Contact now

The social network icons are from the “fa-brands set” of the Font Awesome font library and are the following:

- fa-facebook-f
- fa-linkedin-in
- fa-youtube
- fa-instagram

The social network icons have 30px of space between them, font size twice the size of the standard font size, color #aaa, and on mouse over the color changes to #666.
